*Payments:
THE AMOUNTS NOTED ABOVE SHALL BE PAYABLE AS FOLLOWS:

License Fees: 100% upon execution of this Supplement.

Training Fees: On invoice, upon completion
Installation Fees: On invoice, upon completion.
Project Management Fees: 50% due upon execution of this Supplement; 50% due upon completion.
Project Planning Fees: 50% due upon execution of this Supplement; 50% due upon completion.
Professional Services Fees: On invoice daily, as incurred.
Conversion Fees: 50% due upon execution of this Supplement; 50% due upon completion.
Application Support Fees: The initial term of support is included in License Fees. Support fees for the second term of support shall be due prior to the start of that term. Fees for subsequent terms of support will be due prior to the start of that term at the then prevailing rate. Rates for subsequent years of support service are subject to change.

Notwithstanding anything to the contrary that may be provided, for the period ending sixty (60) months from the commencement of the initial term of annual Support Services, Application Support Fee increases shall not exceed three percent (3%) per year. Thereafter Application Support Fees will be at the then prevailing rate

Notwithstanding anything to the contrary, the initial invoice for Support will be for a pro-rata portion of fees due for the period ending June 30, 2008. Subsequent invoices will be for Support terms commencing July 1 through June 30 of each year

Travel and Living Expenses: Travel and living expenses are in addition to the prices quoted above and will be invoiced as incurred and shall be governed by the SunGard Corporate Travel and Expense Reimbursement Policy.

SunGard Support Services

SunGard will provide the Customer with Support Services under the terms of the Licensed Program(s) Support Agreement. The initial term of SunGard application support services shall commence upon the Delivery Date of the first major module (such as Base CAD, RMS, JAIL or Mobile) of the Licensed Program(s) and extend for a twelve (12) month term. Subsequent terms of support will be for twelve (12) month periods, commencing at the end of the initial support period.

Notwithstanding anything to the contrary, Customer shall remain responsible for the payment of annual support/maintenance charges associated with the HTE brand Public Safety & Justice applications and, if applicable, any associated third party products until receipt by SunGard of effective written notice of termination for the subsequent term.

Application Training

Additional application training, if requested by the Customer, can be provided upon request at the standard billing rate in effect at that time. Training fees do not include travel and living expenses.

Project Management

Project Management fees will be invoiced in the amounts and under the terms stated above. A mutually agreeable work plan will be created by the SunGard Project Manager and the Customer. Additional Project Management, if requested by Customer, will be invoiced at the then current SunGard rate. Project Management fees do not include travel and living expenses.

Conversion

Conversion, if provided for herein, or if requested by the Customer after contract execution, will be controlled by a separately executed statement of work containing the data conversion plan. The statement of work shall specify the scope of services and basis for charges. Payment for fixed price data conversion services, such as a survey of Customer's conversion requirements, is due upon execution of the statement of work. Payment for time and materials data conversion services is due as incurred.

Modifications

Modifications if applicable will be performed by SunGard under a separately executed statement of work between SunGard and Customer. Such statement of work shall include specifications, timeframes, costs, and payment terms.

Scheduled Resource Changes

Customer acknowledges that SunGard makes every effort to schedule training and project management sessions sufficiently in advance to make effective use of SunGard's personnel and to obtain favorable prices for travel and living. Accordingly, the following cancellation charges apply to training and on-site project management sessions canceled at the request of Customer: Cancellation within seven (7) days of start date, Customer pays fifty percent (50%) of the total price for the training or on-site project management; cancellation within three (3) days of start date, Customer is responsible for entire price of the training or on-site project management. In addition to the foregoing, Customer shall be obligated to reimburse SunGard for any non-refundable expenses incurred by SunGard for travel expenses. Notwithstanding the above, SunGard will endeavor to reschedule SunGard personnel in order to mitigate Customer's costs and expenses under this paragraph. To the extent SunGard is successful in such rescheduling, Customer's payment obligations shall be reduced.

Third Party Software and Hardware

Unless otherwise provided for herein, warranty and maintenance offerings by SunGard for its Licensed Program(s) do not apply to any third party hardware or third party software supplied under this Supplement. SunGard does not make any warranties nor provide any source code for any non-SunGard products unless otherwise provided herein. The return and refund policy of each individual third party hardware or third party software supplier shall prevail unless otherwise provided herein.

Publication

SunGard reserves the right to publish certain information regarding this Supplement. Publication may include, but shall not be limited to, using Customer's name in a press release announcing this Supplement and listing Customer's name on SunGard's complete customer listing that is made available to other SunGard customers and potential customers.

Preprinted Terms and Conditions

Preprinted conditions and all other terms not included in this Supplement or in the Agreement, stated on any purchase order or other document submitted hereafter by Customer are of no force or effect, and the terms and conditions of the Agreement and any amendments thereto, shall control unless expressly accepted in writing by SunGard to Customer.
