

## Rowan County Litter Mitigation Updates March 2022

---

During the month of March, 2022, Rowan County's self-funded litter mitigation program removed 18,990 lbs. of roadside litter and debris along with 47 discarded tires.

The Rowan County Sheriff's Office by virtue of the Environmental Crimes Special Deputy contributed to curb illegal dumping by issuing 9 citations for littering or illegally dumping and by identifying 20 illegal dump sites along with providing public outreach and promoting the Department of Environmental Management's ***Secure Your Load*** and proper waste disposal initiatives.

Rowan County will continue to mitigate the illegal dumping of solid waste and litter through collaborative efforts across agencies, public awareness campaigns, litter clean up events, education and outreach.

Respectfully Submitted,

Caleb Sinclair, Director  
Rowan County Government  
Department of Environmental Management
