6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from covered transaction, unless it knows that the

certification is erroneous. A participant may decide the method and frequency of which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized in paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension, and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

CERTIFICATION REGARDING NONDISCRIMINATION, CLEAN AIR ACT, CLEAN WATER ACT

Certification Regarding Nondiscrimination

The Contractor certifies that it will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (h) the Food Stamp Act and USDA policy, which prohibit discrimination on the basis of religion and political beliefs; and (i) the requirements of any other nondiscrimination statutes which may apply to this Agreement.

The Contractor must comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented by the Department of Labor Regulations (41 CFR Part 60): The Executive Order prohibits federal contractors and federally-assisted construction contractors and subcontractors who do over \$10,000 in Government business in one year from discriminating in employment decisions on the basis of race, color, religion, sex, or national origin. The Executive Order also requires Government contractors to take affirmative action to ensure that equal opportunity is provided in all aspects of their employment.

Meaningful Access for LEP Individuals: **The Contractor** that participate in the SNAP must take reasonable steps to ensure that LEP persons have meaningful access to programs, services, and benefits. This includes the requirement to provide bilingual program information and certification materials and interpretation services to single language minorities in certain project areas. SNAP Contractors that do not provide meaningful access for LEP individuals risk violating prohibitions against discrimination based on National Origin in the Food and Nutrition Act of 2008, as amended, Title VI of the Civil Rights Act of 1964 (Title VI) and SNAP program regulations at 7 CFR 272A(b). They also risk noncompliance with the USDA policy guidance titled, "Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons", published in 79 FR 70771 - 70784 (November 28, 2014).

The Contractor should develop an implementing plan to address the language assistance needs of the LEP population served. This may include contracting for oral interpretation services, hiring bilingual staff, arranging telephone interpreters and/or language lines, coordinating community volunteers, translating vital documents, and providing written notice that language services are available in appropriate languages. Quality and accuracy of the language service is critical in order to avoid serious consequences to the LEP person and to the recipient. LEP needs should be considered in developing budgets and front-line staff should understand how to obtain language assistance services. For additional assistance and information regarding LEP matters, please also visit <http://www.lep.gov>.

Ensuring Equal Opportunity Access for Persons with Disabilities: The Contractor must also ensure equal opportunity access for persons with disabilities. This includes ensuring that communications with applicants, participants, members of the public, and companions with disabilities are as effective as communications with people without disabilities. Contractors that do not provide persons with disabilities equal opportunity access to programs may risk violating prohibitions against disability discrimination in the Rehabilitation Act of 1978, the American with Disabilities Act (ADA) of 1990, as amended, and SNAP program regulations. DOJ published revised final regulations implementing Title II and Title III of the ADA on September 15, 2010. These regulations are codified at 28 CFR Part 35 "Nondiscrimination on the Basis of Disability in State and Local Government Services" and at 28 CFR Part 36 "Nondiscrimination on the Basis of Disability in Public Accommodations and Commercial Facilities". In accordance with the implementing regulations, Contractors must provide auxiliary aids and services where necessary to ensure effective communication and equal opportunity access to program benefits for individuals with disabilities. The type of auxiliary aids and services required will vary, but a Contractor may not require an individual with a disability to bring another individual to interpret, and may rely on a person accompanying a disabled individual only in limited circumstances. When a Contractor communicates with applicants and beneficiaries by telephone, it must provide text telephone services (TTY) or have access to an equally effective electronic telecommunications system to communicate with individuals who are deaf, hard of hearing, or hearing impaired. Contractors must also ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities. For more information, please visit the ADA website: <http://www.ada.gov>.

- d. The President may exempt any contract, loan, or grant from all or part of the provisions of this section where he determines such exemption is necessary in the paramount interest of the United States and he shall notify the Congress of such exemption.
- e. The President shall annually report to the Congress on measures taken toward implementing the purpose and intent of this section, including but not limited to the progress and problems associated with implementation of this section. [42 U.S.C. 7606]

V. The Clean Water Act; 33 U.S.C. §1251 et seq. (1972)

No Federal agency may enter into any contract with any person who has been convicted of any offense under Section 309(c) of this Act for the procurement of goods, materials, and services if such contract is to be performed at any facility at which the violation which gave rise to such conviction occurred, and if such facility is owned, leased, or supervised by such person. The prohibition in preceding sentence shall continue until the Administrator certifies that the condition giving rise to such conviction has been corrected.
- b. The Administrator shall establish procedures to provide all Federal agencies with the notification necessary for the purposes of subsection (a) of this section.
- c. In order to implement the purposes and policy of this Act to protect and enhance the quality of the Nation's water, the President shall, not more than 180 days after the enactment of this Act, cause to be issued an order:
 - (i) requiring each Federal agency authorized to enter into contracts and each Federal agency which is empowered to extend Federal assistance by way of grant, loan, or contract to effectuate the purpose and policy of this Act in such contracting or assistance activities, and
 - (ii) setting forth procedures, sanctions, penalties, and such other provisions, as the President determines necessary to carry out such requirement.
- d. The President may exempt any contract, loan, or grant from all or part of the provisions of this section where he determines such exemption is necessary in the paramount interest of the United States and he shall notify the Congress of such exemption.
- e. The President shall annually report to the Congress on measures taken in compliance with the purpose and intent of this section, including, but not limited to, the progress and problems associated with such compliance.
- f. No certification by a contractor, and no contract clause, may be required in the case of a contract for the acquisition of commercial items in order to implement a prohibition or requirement of this section or a prohibition or requirement issued in the implementation of this section.
- g. In paragraph (1), the term "commercial item" has the meaning given such term in section 4(12) of the Office of Federal Procurement Policy Act (41 U.S.C. 403(12)).
