

Rowan County Litter Mitigation Monthly Update July 2022

During the month of July, 2022 Rowan County's self-funded ***Litter Mitigation Program*** removed **9.8 tons of roadside litter and debris** along with **37 discarded tires**.

The Rowan County Sheriff's Office Environmental Crimes Special Deputy contributed to curb illegal dumping by issuing **4 citations for littering or illegally dumping** and by **identifying 21 illegal dump sites** along with providing public outreach and promoting the Department of Environmental Management's *Secure Your Load* and proper waste disposal initiatives

Rowan County will continue to mitigate the illegal dumping of solid waste and litter through collaborative efforts across agencies, public awareness campaigns, litter clean up events, education and outreach.

Respectfully Submitted,

Caleb Sinclair, Director
Rowan County Government
Department of Environmental Management
