

9/10/2022

Piedmont Players Theatre, Inc. DBA Eastern Costume Company

Requested Amendment for Physical Changes to the D3 space:

At this time, the changes to the D3 space would be limited to painting to freshen the appearance and adjusting one of the bathroom facilities to incorporate additional plumbing to support at least one and possibly two washing machines and dryers for laundering the costume rentals. We would add required electrical if necessary for the appliances to operate.

Happy to provide more detail if needed.
