Grant Terms

Grant funds are to be used only as stated in the following terms and conditions:

- This grant is being made for the specific project and / or components of the project outlined in the grant proposal. If any changes to the project are needed, contact Foundation staff to discuss amendments, reallocations, and to obtain approval to proceed prior to implementing any changes or expending any funds. If awarded general operating support, the funds must be used for the operations of the Grantee organization.
- Payment will be scheduled upon your acceptance of the grant including agreement to all terms and / or conditions. Submittal of this award section signifies your acceptance. The deadline for this section is four weeks after the email notification of award. If this section is not completed within the time allowed, the grant will be forfeited.
- Grants are one year in duration. To the extent it is required and indicated in Conditions below, the Grantee agrees to submit the online evaluation report describing the project and an explanation of how the funds were spent. Failure to submit a complete evaluation report by the stated deadline may make the organization ineligible to receive a grant from the same program in future years. Based on annual reporting calendars with clients and volunteers, the evaluation report is due 9 months after the grant award date, unless otherwise stated. All grant recipients have one year to complete the grant and if funds are not expended when the report is submitted at 9 months, an additional report may be required. Failure to submit follow up evaluation report(s) by the stated deadline(s) may make the organization ineligible to receive a grant from the same program in future years.
- If the Grantee does not complete the funded project within one year, the Grantee must submit a written request for an extension. The Foundation will notify the Grantee of the decision regarding the extension.
- The Foundation reserves the right to conduct an independent evaluation of your project and a verification of grant expenditures. The Grantee agrees to provide the information necessary to complete such an evaluation. Failure to submit requested information in a timely fashion may obligate the Grantee to refund the grant.
- The Foundation recognizes grant circumstances may change over the life of a grant which will require you to either apply for a grant extension or reallocation. Should your project change in scope, please notify The Foundation as soon as possible with any reallocation requests. Please note, any reallocation request must be approved. Failure to notify The Foundation of reallocation request may result in forfeiting any or all funds.

The Foundation is not responsible for any actions of the Grantee, and furthermore, the Grantee agrees to indemnify, defend and hold harmless the Foundation, its agents and employees, and the Trustees/Board from any liability, loss, cost, injury, damage or other expense that may be incurred by the Grantee or claimed by any third person against it as a result of funding of the project or any action or non-action taken in connection with the project, only in the manner and to the extent provided by North Carolina law.
