To: Don Bringle

Project: Rowan County Animal Shelter Drive

We propose to furnish all the necessary supervision, labor, equipment and materials required to complete the following work as outlined below and incorporated as part of this proposal.

Excavate existing aggregate material and dispose of excess off-site. Fine grade area in preparation for paving process. Pave heavy duty drive area with a nominal compacted depth of 4" of I19.0C asphalt and 2" of S9.5C asphalt approx. 280 SY.

**LUMP SUM TOTAL: \$26,265.00**

Due to the level of volatility in the petroleum market, we must index our pricing on this project. Prices for asphalt are based on the February 2023 NCDOT Asphalt Binder Index of \$641.25 per ton. Invoice calculations will be based on the NCDOT index for the month the asphalt is placed. An additional fuel surcharge, based on the current US EIA Fuel index, may also be applicable to your project.

**NOTE:** Price based on measurements and observations taken from site visit. If Carolina Siteworks, Inc. is awarded this contract, the quoted prices including the escalation clause are good for 30 days, after that, Carolina Siteworks, Inc. may need to renegotiate prices. Price includes one mobilization. Items not included in price: additional ABC stone, any extra grading, testing, any landscaping, rock excavation, undercut of unsuitable soils, repair of damage caused by others, relocation or repair of utilities; prime coat or herbicide treatment, or anything else not specifically mentioned above.

Respectfully Submitted,
