Chairman Edds led the Pledge of Allegiance.

CONSIDER ADDITIONS TO THE AGENDA

Chairman Edds added a Closed Session as agenda item #5a for a personnel matter.

CONSIDER DELETIONS FROM THE AGENDA

There were no deletions from the agenda.

CONSIDER APPROVAL OF THE AGENDA

Commissioner Greene moved, Commissioner Pierce seconded and the vote to approve the agenda, as amended, passed unanimously.

CONSIDER APPROVAL OF THE MINUTES

Commissioner Klusman moved, Commissioner Greene seconded and the vote to approve the minutes of the October 21, 2019 and October 25, 2019 Commission Meetings passed unanimously.

1. CONSIDER APPROVAL OF CONSENT AGENDA

Commissioner Klusman moved approval of the Consent Agenda. The motion was seconded by Commissioner Pierce and passed unanimously.

The Consent Agenda consisted of the following:

- A. Add Performance Road in Atwell Township to the State Secondary Road System
- B. Interstate Roofing Company Contract – Administration Building Roofing Renovation
- C. City of Concord Grant Agreement- Enhanced Mobility
- D. Agriculture Development and Farmland Preservation Grant Proposal

2. PUBLIC COMMENT PERIOD

Chairman Edds opened the Public Comment Period to entertain comments from any citizens wishing to address the Board. The following individual came forward:

- Ronnie Smith announced there would be a dedication ceremony for the new Rowan County Vietnam Veterans Memorial. The dedication was scheduled for Veterans Day, November 11, 2019 at 3:30 p.m. at the Salisbury City Park. Mr. Smith said the support of the Board had made the dedication possible.

With no one else coming forward, Chairman Edds closed the Public Comment Period.

3. CONSTRUCTION AGREEMENT – SHELTER GUARDIANS

County Attorney Jay Dees discussed the draft construction agreement with Shelter Guardians for an expansion at the Rowan County Animal Shelter. Mr. Dees reported the facility would be constructed for Shelter Guardians by Chris Bradshaw.

Mr. Dees stated one request from County Manager Aaron Church was for an updated survey showing subdivision of the parcels in order to retain the outparcel on Julian Road as a future development site. Mr. Dees said the residual tract would show where the existing Animal Control facility is located and would also show the proposed location of the new building that Shelter Guardians would construct. Mr. Dees said Rick

Shulenburg was doing the survey work and had not yet completed the residual tract survey. Mr. Dees suggested if the Board wished to consider approval of the agreement that the approval be contingent upon receipt of an acceptable site plan showing the location of the new building.

Commissioner Greene supported approval of the construction agreement as long the approval was contingent on an acceptable site.

Commissioner Pierce moved approval of the MOU with Shelter Guardians for construction of a new dog adoption center contingent on the site plan coming in from Shulenburg. The motion was seconded by Commissioner Klusman and passed unanimously.

4. CONSIDER APPROVAL OF BUDGET AMENDMENTS

Finance Director Leslie Heidrick presented the following budget amendments for the Board's consideration:

- Recognize check #319633 from Rowan County Fair Association and budget the funds to the Explorer Expenditures Account. Check was for parking vehicles at the County Fair by the Explorers - \$500
- Finance – To budget a One NC Fund Grant for Chewy, Inc. - \$166,650
- Health Department – To amend budget per contract amendment - \$1,567
- Sheriff – To recognize a public donation of \$250 and budget to the proper expense account the citizen designated the funds go to - \$250
- Sheriff – Recognize SCAAP Grant funds received from US DOJ and to place in proper expense account - \$12,228
- Finance – To budget additional revenue and expenditures for the FY 2020 HOME Program that was approved by the BOC on March 4, 2019 - \$47,786
- Finance – To budget for the transfer of funds from the General Fund to the West End (WEP) Plaza fund. To transfer the unspent budget in the WEP Phase I and Phase II CIP accounts to the WEP Phase III CIP – Architect account - \$2,744,276

Commissioner Pierce moved approval of the budget amendments as presented. The motion was seconded by Commissioner Klusman and passed unanimously.

5. CONSIDER APPROVAL OF BOARD APPOINTMENTS **DANGEROUS DOG APPEALS BOARD**

Jane Hartness served two (2) consecutive terms on this board and was not eligible for reappointment. Nina Dix applied to fill the vacancy for a term that would expire October 31, 2022.

Commissioner Klusman moved, Commissioner Pierce seconded and the vote to appoint Nina Dix passed unanimously.

HOME AND COMMUNITY CARE BLOCK GRANT ADVISORY COMMITTEE

Ray Paradowski applied to fill a vacancy that would expire June 30, 2021.

Commissioner Klusman moved to appoint Ray Paradowski. The motion was followed by a second from Commissioner Pierce and carried unanimously.

MEMO TO COMMISSIONERS:

FROM: Ed Muire, Planning Director
DATE: November 4, 2019
SUBJECT: Letter of Support for Salisbury CDC

BACKGROUND

The North Carolina Housing Finance Agency (NCHFA) has announced availability of \$8 million to eligible organizations for the rehabilitation of owner-occupied homes in selected counties under the 2020 cycle of the Essential Single-Family Rehabilitation Loan Pool (ESFRLP); Rowan County is eligible.

PROGRAM DESCRIPTION

Successful applicants (one per county) will be awarded a set-aside of \$190,000 for the rehabilitation of eligible units, with the option of receiving additional funds on a first-come, first-served basis. The focus of the program is on financially feasible, essential rehabilitation. ESFRLP funds are targeted to owner-occupied units. Homes must be occupied by households with elderly, disabled and/or Veteran full-time household members or a child six years old or younger with lead hazards. Household incomes must be at or below 80% of the area median income.

Nonprofit organizations, local governments and regional councils of government are eligible to apply for ESFRLP funding. Applicants must show that they have capacity to manage the program. If two or more eligible entities apply to serve a given county, organizational capacity and experience with housing rehabilitation assistance will be deciding factors.

REQUEST

Staff is not requesting that Rowan County apply for these funds, rather it is seeking the Commission's support of an application submitted by the Salisbury Community Development Corporation (CDC) to serve all of Rowan County. In doing so, Staff recommends the Board authorize the Chairman to sign the attached letter of support to accompany the CDC's application.

RE: Support for Salisbury Community Development Corporation's
Essential Single Family Rehabilitation Loan Pool (ESFRLP) application

Mr. Farmer:

Rowan County enthusiastically supports the Salisbury Community Development Corporation's (CDC) application for ESFRLP funding in the 2020 cycle. Since 2013, Rowan County has relied on its partnership with the CDC to serve a variety of Rowan County homeowner needs with a primary focus on rehabilitation assistance. Given the scope of the ESFRLP program, the CDC Staff is uniquely qualified to manage this rehabilitation program serving all of Rowan County due to its familiarity and responsiveness to citizens countywide.

Thanks to the North Carolina Housing Finance Agency for their continued leadership and support of housing initiatives that benefit the North Carolina citizenry with programs such as the ESFRLP both now and in the future.

Respectfully,

Greg Edds, Chairman
Rowan County Commission

Road Abandonment

To Whom It May Concern,

I have spoken with staff at the Main Street, Salisbury location and was instructed to apply for the road abandonment. I rented the property for 2 years and purchased 2 parcels in June of 2019.

The section for abandonment is small and lies between the 2 pieces of property I own so I am the only homeowner affected. The parcels are 130A357 and 130A01105. I have included the county tax map, Google map photo and also copies of my 2 deeds.

My home was built in 1953 and the area was broken into small lots around that time. McCleave Rd. has been state maintained for a long time but around 2004 the local residents petitioned the state to take over this unpaved section of McCleave. The state currently has this section as a state maintained road.

This section of road is approximately 240 feet but the section to be abandoned is approximately 85-90 feet long and has been grassed yard for many years as the old roadway has been abandoned for at least 30 years. The first approximate 150 feet from the intersection where McCleave Rd. has a "T" section has been old gravel and this section will remain for state maintenance with 3 homeowners living on the section including me.

I appreciate your help with this matter and please let me know what I can do to participate and help the process along.

Sincerely,

A handwritten signature in black ink that reads "Ken Jezek". The signature is written in a cursive, flowing style with a long horizontal stroke extending to the right.

Ken Jezek

ROWAN COUNTY
A COUNTY COMMITTED TO EXCELLENCE

130 West Innes Street - Salisbury, NC 28144
TELEPHONE: 704-216-8180 * FAX: 704-216-8195

MEMO TO COMMISSIONERS:

FROM: Shane Stewart, Assistant Planning Director
DATE: November 8, 2019
SUBJECT: Schedule Public Hearing for STA 02-19 for December 2, 2019

At the June 3, 2019 Board of Commissioners meeting, the Rowan County Fire Marshal requested the board consider adopting Appendix D of the North Carolina Fire Code into the Subdivision Ordinance (enclosed). After hearing concerns regarding pavement width and turnaround standards from the Fire Marshal, the Commission directed planning staff to prepare an ordinance amendment for consideration by the Planning Board.

Section 7-60 (1) of the Rowan County Code of Ordinances references county adoption of the North Carolina State Building Code: Fire Code including appendix chapters B – H. However, the section further states that “if appendices conflict with local established ordinances, the local ordinances shall prevail as permitted by law”, which mirrors a similar statement at the top of Appendix D.

With few exceptions, the Subdivision Ordinance specifies new streets are required to meet NCDOT right of way, pavement width, and applicable design standards to ensure the streets are eligible for future inclusion into the NCDOT secondary road maintenance system (see enclosed excerpt from 2010 NCDOT Subdivision Manual). NCDOT officials are not in favor of wider streets and cul-de-sacs as they are of the opinion current standards are sufficient and maintaining excess pavement will divert resources from the maintenance of other public roads. Wider streets and cul-de-sacs will also require dedication of additional right of way beyond the minimums identified in the manual. However, officials indicated the enhanced road standards would not preclude their acceptance of future maintenance.

Schedule public hearing for December 2nd.

RE: **STA 02-19**

SUGGESTED BOARD OF COMMISSIONERS ACTION

- ☐ Schedule Public Hearing for **STA 02-19** for December 2, 2019.

BACKGROUND

At the June 3, 2019 Board of Commissioners meeting, the Rowan County Fire Marshal requested the board consider adopting Appendix D of the North Carolina Fire Code into the Subdivision Ordinance (enclosed). After hearing concerns regarding pavement width and turnaround standards from the Fire Marshal, the Commission directed planning staff to prepare an ordinance amendment for consideration by the Planning Board.

Section 7-60 (1) of the Rowan County Code of Ordinances references county adoption of the North Carolina State Building Code: Fire Code including appendix chapters B – H. However, the section further states that “if appendices conflict with local established ordinances, the local ordinances shall prevail as permitted by law”, which mirrors a similar statement at the top of Appendix D.

**CURRENT SUBDIVISION
STREET STANDARDS**

With few exceptions, the Subdivision Ordinance specifies new streets are required to meet NCDOT right of way, pavement width, and applicable design standards to ensure the streets are eligible for future inclusion into the NCDOT secondary road maintenance system (see enclosed excerpt from 2010 NCDOT Subdivision Manual). NCDOT officials are not in favor of wider streets and cul-de-sacs as they are of the opinion current standards are sufficient and maintaining excess pavement will divert resources from the maintenance of other public roads. Wider streets and cul-de-sacs will also require dedication of additional right of

way beyond the minimums identified in the manual. However, officials indicated the enhanced road standards would not preclude their acceptance of future maintenance.

PROPOSED CHANGES

Existing text proposed for deletion appear ~~highlighted with strikethroughs~~ while new text appear as **bold red text**.

Section 22-10. Other Definitions.

NCDOT means the North Carolina Department of Transportation.

Specific Type Roads:

~~Cul-de-sac. A short street having but one end open to traffic and the other end being permanently terminated and a vehicular turnaround provided.~~ **A permanent dead-end street which has one (1) end open to traffic and terminates in a circular turnaround.**

Section 22-80. Road Standards.

Every lot shall have access to it that is sufficient to provide a means of ingress and egress for emergency vehicles as well as for all those likely to need or desire access to the property in its intended use. In situations where an original lot is provided access via a non-state standard right-of-way or easement (public or private) and is proposed to be subdivided, the subdivider shall be responsible for obtaining the necessary right-of-way and for all aspects of road construction for upgrading said access to the proposed subdivision. Road construction and right-of-way standards shall meet the requirements of Section 22-80(a) or (b) of this ordinance.

(a) *Public Roads.*

All subdivision lots shall abut on a public road except as provided in section 22-80(b) and (d) of this ordinance. All public roads shall be paved and built to all applicable standards of this ordinance and all other applicable standards of the North Carolina Department of Transportation (NCDOT). Roads which are not eligible to be put on the NCDOT system because there are too few residences shall nevertheless be dedicated for public use and shall be built in accordance with the standard necessary to be put on the NCDOT System. ~~A written agreement with provision for maintenance of the street until it is put on the State System shall be included with the final plat and recorded with Rowan County Register of Deeds office. The maintenance agreement shall provide~~ **A final plat shall contain the road maintenance disclosure statement from section 22-59 (2) notifying prospective buyers** that either the subdivider or property owners shall be responsible for the maintenance of all proposed public streets until the responsibility has been transferred to either a homeowner's association established for the owners of properties in the subdivision or has been accepted for public road maintenance by NCDOT.

(b) *Private Roads.*

Private roads shall be permitted only when the roads proposed within a subdivision will not be eligible for inclusion into the NCDOT state maintained

system or by a municipality in Rowan County because of their standards for acceptance. Such roads shall meet all right-of-ways and construction standards of NCDOT unless specifically provided otherwise. The subdivider shall provide certification from a registered professional engineer that the subject roads were built to these standards. All private roads shall be marked as such on the preliminary and final plat, **include the road maintenance disclosure statement from section 22-59 (2) on the final plat**, and **record** a maintenance agreement ~~shall be provided and recorded with the plat~~ at the Rowan County Register of Deeds office once the final plat has been approved.

Said maintenance agreement shall include, but not be limited to, the following items:

- (1) That a homeowner's association shall be established as a legal entity for the property owners within the entire subdivision.
- (2) That all property owners within the subdivision shall be members of the homeowner's association.
- (3) That the subdivider shall convey all private streets in fee simple ownerships within the subdivision to the homeowner's association.
- (4) That the responsibility for maintenance of private streets from the developer to the homeowners association shall be noted in the deed of each purchaser of property within the subdivision.

At the time of the preparation of the sales agreement the developer shall include a disclosure statement to the prospective buyer as herein outlined. The developer and seller shall include in the disclosure statement an explanation of the consequences and responsibility about the maintenance of a private street, and shall fully and accurately disclose to the party or parties upon whom responsibility for construction and maintenance of such street or streets shall rest.

Private roads for a family subdivision, as defined in section 22-9, shall not be required to meet construction standards of NCDOT, instead the lot(s) created shall be provided ingress and egress via a twenty-foot easement or right-of-way (new or existing) in continuity to a publically maintained road, which shall be shown on the final plat. Furthermore, family subdivisions may also occur in situations where prior minor subdivision approval was granted but not within a major subdivision. In addition, the street frontage requirements of section 22-79(a) "Lot Dimensions" shall not apply to these lots. For the purposes of determining other required setbacks, "street" and "street right-of-way" shall be interpreted to mean the twenty-foot exclusive easement. The establishment or extension of a new easement or right-of-way shall not be prevented by the required setback of an existing structure if the Subdivision Administrator determines no other feasible options are available.

Any family subdivision that cannot comply with the provisions of this subsection shall not be approved as a family subdivision and shall be approved and comply with the provisions of a minor or major subdivision.

(e) Street Design Standards.

The design of all streets and roads within the jurisdiction of this ordinance shall

be in accordance with the accepted policies and standards of the North Carolina Department of Transportation, Division of Highways. The most recent edition of the North Carolina Department of Transportation, Division of Highway's Subdivision Roads Minimum Construction Standards, shall apply for any items not included in this ordinance or where stricter than this ordinance.

The following design standards shall apply to all streets proposed in subdivisions:

- (1) Street jogs with centerline offsets of less than one hundred fifty (150) feet are not permitted.
- (2) Street intersections shall not include more than four (4) street approaches.
- (3) Streets shall be laid out to intersect as nearly as possible at right angles. No street shall intersect another at less than sixty (60) degrees, other arrangements for smooth merging of traffic shall be permitted where the total effect on the intersection is to reduce traffic hazards and provide for smooth traffic flow at the intersection as a whole. As an example, where a one-way street leaves or enters a street divided by a median strip or otherwise controlled to prevent left turns, the angle of departure or entry might be less than sixty (60) degrees. All angles of street intersections shall meet current NCDOT standards.
- (4) To ensure streets are appropriately designed to support the efficient and safe movement of emergency service vehicles and the general public, pavement width and pavement diameter for dead end cul-de-sac streets may exceed NCDOT minimum design standards. Unless an alternative design is accepted by the Rowan County Fire Marshal, minimum pavement dimensions shall be as follows:**
 - (a) Streets shall be a minimum of twenty (20) feet in width and, if include a dead end segment, must provide a cul-de-sac with a diameter of seventy (70) feet. Required street width and cul-de-sac diameter may be increased based on the length of dead end streets in accordance with the following:**

Length (feet)	Width (feet)	Turnarounds Required
0 - 150	20	70 foot diameter cul-de-sac in accordance with the below figure.
151 - 500	20	96 foot diameter cul-de-sac or 120 foot hammerhead in accordance with the below figures.
501 - 750	26	96 foot diameter cul-de-sac or 120 foot hammerhead in accordance with the below figures.

Source: Appendix D of 2018 North Carolina Fire Code (less 70' Diameter cul-de-sac). Not to scale.

For the purpose of this section, the length of a dead end street is measured from the centerline of the adjacent public street to the center of the cul-de-sac diameter. Unless recognized by NCDOT as a design eligible for inclusion into their secondary road maintenance system, dead end turnarounds must be designed as a cul-de-sac. Additional right of way may be necessary to accommodate width and turnarounds which exceed NCDOT minimum standards.

- (b) Street widths adjacent to a dry or municipal hydrant must provide the minimum clearance in accordance with section 22-80 (e)(4)(a).**
- (c) Subdividers may request the Board of Commissioners consider granting a waiver from the width and turnaround standards required in subsection (a) when an alternative design is considered equally sufficient to facilitate the efficient and safe movement of emergency vehicles.**

(g) *All-Weather Access Road for Water Point Sources*

In situations where the water point source cannot be directly accessed by a mobile water supply apparatus via the proposed subdivision street; or, an existing state maintained road; or a linkage of hoses not to exceed twenty (20) feet, then the subdivider shall be responsible for construction of an access road in fire districts with a PPC rating of 8 or lower. In districts with a PPC rating of 9 or 9S, the fire department having jurisdiction shall participate equally with the subdivider in sharing the costs for access road construction.

This access road shall be maintained in accordance with the following NFPA 1142 Chapter 7 guidelines to which it was built. These standards are intended to serve as the maximum requirements that may be imposed, subject to (11) below.

- (1) Roadways shall have a minimum clear width of twelve (12) feet (3.7 m) for each lane of travel.
- (2) Turns shall be constructed with a minimum radius of one hundred (100) feet (30.5 m) to the centerline.
- (3) The maximum sustained grade shall not exceed eight (8) percent.
- (4) All cut-and-fill slopes shall be stable for the soil involved.
- (5) Bridges, culverts, or grade dips shall be provided at all drainageway crossings; roadside ditches shall be deep enough to provide drainage with special drainage facilities (tile, etc.) at all seep areas and high water table areas.
- (6) The surface shall be treated as required for year-round travel.
- (7) Erosion control measures shall be used as needed to protect road ditches, cross drains, and cut-and-fill slopes.
- (8) Where turnarounds are utilized during firefighting operations, they shall be designed with a diameter of one hundred twenty (120) feet (36.5 m) or larger, as required, to accommodate the equipment of the responding fire department.
- (9) Load-carrying capacity shall be adequate to **support the imposed load of fire apparatus weighing at least 75,000 pounds** ~~carry the maximum vehicle load expected.~~
- (10) The road shall be suitable for all-weather use.
- (11) Upon determination from the SRC that lesser standards are adequate and comply with the intent of this article, deviations may be permitted on an individual basis.

COMMITTEE A MEETING

On September 17, 2019, Fire Marshal Deborah Horne and Fire Investigator Darrell Nichols presented the need for adopting Appendix D. After much discussion, Committee A unanimously voted (4-0) to direct staff to prepare draft language to incorporate Table D 103.4 and Figure D 103.1 into the Subdivision Ordinance and forward to the committee to determine if another meeting would be

necessary prior to Planning Board consideration. A majority of the committee agreed the text should be forward to the Planning Board for a courtesy hearing.

STAFF COMMENTS

Planning Staff spoke with our five (5) neighboring counties and a few others that responded via the UNC School of Government's planning on-line forum regarding experience with their community's interest in the incorporation of Appendix D (see enclosed responses). Only Cabarrus County has adopted standards similar to those proposed herein. Most all of the communities contacted expressed concern exceeding NCDOT standards being the department responsible for coordinating these efforts.

At this time, it does not appear these additional standards will present a problem with either the continued task of NCDOT performing road construction plan review for new subdivision streets in our jurisdiction or the future acceptance of maintenance.

OCTOBER 28TH PLANNING BOARD MEETING

The following individuals were present and shared concerns with existing NCDOT minimum road standards along with their support for the proposed text revisions:

- Deborah Horne, Rowan County Fire Division Chief
- Darrell Nichols, Rowan County Fire Investigator
- Rusty Alexander, Locke Fire Chief
- John Morrison, West Rowan Fire Chief
- Mike Zimmerman, Bostian Heights Fire Chief
- Chris Soliz, Rowan County Chief of Emergency Services

The Planning Board voted 6-1 to recommend approval of the text as presented.

APPENDIX D

FIRE APPARATUS ACCESS ROADS

The provisions contained in this appendix are not mandatory unless specifically referenced in the adopting ordinance.

SECTION D101 GENERAL

D101.1 Scope. Fire apparatus access roads shall be in accordance with this appendix and all other applicable requirements of the *International Fire Code*.

SECTION D102 REQUIRED ACCESS

D102.1 Access and loading. Facilities, buildings or portions of buildings hereafter constructed shall be accessible to fire department apparatus by way of an *approved* fire apparatus access road with an asphalt, concrete or other *approved* driving surface capable of supporting the imposed load of fire apparatus weighing at least 75,000 pounds (34 050 kg).

SECTION D103 MINIMUM SPECIFICATIONS

D103.1 Access road width with a hydrant. Where a fire hydrant is located on a fire apparatus access road, the minimum road width shall be 26 feet (7925 mm), exclusive of shoulders (see Figure D103.1).

D103.2 Grade. Fire apparatus access roads shall not exceed 10 percent in grade.

Exception: Grades steeper than 10 percent as *approved* by the fire chief.

D103.3 Turning radius. The minimum turning radius shall be determined by the *fire code official*.

D103.4 Dead ends. Dead-end fire apparatus access roads in excess of 150 feet (45 720 mm) shall be provided with width and turnaround provisions in accordance with Table D103.4.

**TABLE D103.4
REQUIREMENTS FOR DEAD-END
FIRE APPARATUS ACCESS ROADS**

LENGTH (feet)	WIDTH (feet)	TURNAROUNDS REQUIRED
0-150	20	None required
151-500	20	120-foot Hammerhead, 60-foot "Y" or 96-foot diameter cul-de-sac in accordance with Figure D103.1
501-750	26	120-foot Hammerhead, 60-foot "Y" or 96-foot diameter cul-de-sac in accordance with Figure D103.1
Over 750		Special approval required

For SI: 1 foot = 304.8 mm.

For SI: 1 foot = 304.8 mm.

**FIGURE D103.1
DEAD-END FIRE APPARATUS ACCESS ROAD TURNAROUND**

D103.5 Fire apparatus access road gates. Gates securing the fire apparatus access roads shall comply with all of the following criteria:

1. Where a single gate is provided, the gate width shall be not less than 20 feet (6096 mm). Where a fire apparatus road consists of a divided roadway, the gate width shall be not less than 12 feet (3658 mm).
2. Gates shall be of the swinging or sliding type.
3. Construction of gates shall be of materials that allow manual operation by one person.
4. Gate components shall be maintained in an operative condition at all times and replaced or repaired when defective.
5. Electric gates shall be equipped with a means of opening the gate by fire department personnel for emergency access. Emergency opening devices shall be *approved* by the *fire code official*.
6. Methods of locking shall be submitted for approval by the *fire code official*.
7. Electric gate operators, where provided, shall be *listed* in accordance with UL 325.
8. Gates intended for automatic operation shall be designed, constructed and installed to comply with the requirements of ASTM F2200.

D103.6 Signs. Where required by the *fire code official*, fire apparatus access roads shall be marked with permanent NO PARKING—FIRE LANE signs complying with Figure D103.6. Signs shall have a minimum dimension of 12 inches (305 mm) wide by 18 inches (457 mm) high and have red letters on a white reflective background. Signs shall be posted on one or both sides of the fire apparatus road as required by Section D103.6.1 or D103.6.2.

FIGURE D103.6
FIRE LANE SIGNS

D103.6.1 Roads 20 to 26 feet in width. Fire lane signs as specified in Section D103.6 shall be posted on both sides of fire apparatus access roads that are 20 to 26 feet wide (6096 to 7925 mm).

D103.6.2 Roads more than 26 feet in width. Fire lane signs as specified in Section D103.6 shall be posted on one

side of fire apparatus access roads more than 26 feet wide (7925 mm) and less than 32 feet wide (9754 mm).

SECTION D104

COMMERCIAL AND INDUSTRIAL DEVELOPMENTS

D104.1 Buildings exceeding three stories or 30 feet in height. Buildings or facilities exceeding 30 feet (9144 mm) or three stories in height shall have at least two means of fire apparatus access for each structure.

D104.2 Buildings exceeding 62,000 square feet in area. Buildings or facilities having a gross *building area* of more than 62,000 square feet (5760 m²) shall be provided with two separate and *approved* fire apparatus access roads.

Exception: Projects having a gross *building area* of up to 124,000 square feet (11 520 m²) that have a single *approved* fire apparatus access road when all buildings are equipped throughout with *approved automatic sprinkler systems*.

D104.3 Remoteness. Where two fire apparatus access roads are required, they shall be placed a distance apart equal to not less than one half of the length of the maximum overall diagonal dimension of the lot or area to be served, measured in a straight line between accesses.

SECTION D105

AERIAL FIRE APPARATUS ACCESS ROADS

D105.1 Where required. Where the vertical distance between the grade plane and the highest roof surface exceeds 30 feet (9144 mm), approved aerial fire apparatus access roads shall be provided. For purposes of this section, the highest roof surface shall be determined by measurement to the eave of a pitched roof, the intersection of the roof to the exterior wall, or the top of parapet walls, whichever is greater.

D105.2 Width. Aerial fire apparatus access roads shall have a minimum unobstructed width of 26 feet (7925 mm), exclusive of shoulders, in the immediate vicinity of the building or portion thereof.

D105.3 Proximity to building. At least one of the required access routes meeting this condition shall be located within a minimum of 15 feet (4572 mm) and a maximum of 30 feet (9144 mm) from the building, and shall be positioned parallel to one entire side of the building. The side of the building on which the aerial fire apparatus access road is positioned shall be approved by the *fire code official*.

D105.4 Obstructions. Overhead utility and power lines shall not be located over the aerial fire apparatus access road or between the aerial fire apparatus road and the building. Other obstructions shall be permitted to be placed with the approval of the *fire code official*.

SECTION D106

MULTIPLE-FAMILY RESIDENTIAL DEVELOPMENTS

D106.1 Projects having more than 100 dwelling units. Multiple-family residential projects having more than 100 *dwelling units* shall be equipped throughout with two separate and *approved* fire apparatus access roads.

Exception: Projects having up to 200 *dwelling units* may have a single *approved* fire apparatus access road when all buildings, including nonresidential occupancies, are equipped throughout with *approved automatic sprinkler systems* installed in accordance with Section 903.3.1.1 or 903.3.1.2.

D106.2 Projects having more than 200 dwelling units. Multiple-family residential projects having more than 200 *dwelling units* shall be provided with two separate and *approved* fire apparatus access roads regardless of whether they are equipped with an *approved automatic sprinkler system*.

D106.3 Remoteness. Where two fire apparatus access roads are required, they shall be placed a distance apart equal to not less than one-half of the length of the maximum overall diagonal dimension of the property or area to be served, measured in a straight line between accesses.

SECTION D107

ONE- OR TWO-FAMILY
RESIDENTIAL DEVELOPMENTS

D107.1 One- or two-family dwelling residential developments. Developments of one- or two-family dwellings where the number of *dwelling units* exceeds 30 shall be provided with two separate and *approved* fire apparatus access roads.

Exceptions:

1. Where there are more than 30 *dwelling units* on a single public or private fire apparatus access road and all *dwelling units* are equipped throughout with an *approved automatic sprinkler system* in accordance with Section 903.3.1.1, 903.3.1.2 or 903.3.1.3 of the *International Fire Code*, access from two directions shall not be required.
2. The number of *dwelling units* on a single fire apparatus access road shall not be increased unless fire apparatus access roads will connect with future development, as determined by the *fire code official*.

D107.2 Remoteness. Where two fire apparatus access roads are required, they shall be placed a distance apart equal to not less than one-half of the length of the maximum overall diagonal dimension of the property or area to be served, measured in a straight line between accesses.

County	Standards Adopted	Staff Comments
Cabarrus	Adopted road standards for street widths, dead-end street, and two access roads when more than 30 lots.	Adopted standards are very similar to Appendix D
Davidson	None	Controversial topic. Considered before but declined to adopt. Fire Marshal works with developer to encourage wider streets at the TRC level.
Davie	None	Did consider but elected to not adopt.
Iredell	None	Controversial topic. Considered before but declined to adopt.
Stanly	None	N/A

Harnett	None	N/A
Lincoln	Require separate and approved access roads when more than 30 lots created. More than 50 lots require 2 access points. More than 250 lots requires 3 access points. Waivers may be considered by the BOC.	Adopted in 2016. Local NCDOT did not want to maintain excess pavement.
Rockingham	None	N/A
NCDOT	N/A	Not in favor of increasing pavement requirements. Maintaining additional pavement will divert resources from other road repairs. Also, hammerheads are not an acceptable permanent turnaround.

MEMORANDUM OF AGREEMENT on NOTAM Manager System BETWEEN
Aeronautical Services (AJM-336) of the
Federal Aviation Administration (FAA)

AND

Mid-Carolina Regional Airport

ARTICLE 1. PARTIES

The parties to this Agreement are the Aeronautical Services group of the Federal Aviation Administration (FAA) and the Mid-Carolina Regional Airport, referred to as Airport hereafter.

ARTICLE 2. SCOPE

a. Purpose:

The purpose of this Agreement between the FAA and Airport is to improve the quality and timeliness of important flight information by deploying a new direct-entry digital Notice to Airmen (NOTAM) system for airport operators called the NOTAM Manager System.

b. Specific goals and objectives to be accomplished:

Airport direct-entry NOTAMs will be limited to the following airport surface area NOTAMs (the "D" NOTAMs) including the keywords: aerodrome/service, runway, taxiway, apron/ramp and obstruction, unless specifically expanded by a modification of this agreement.

The objectives of this project include:

- 1) The FAA will provide a web-based service, NOTAM Manager System, which allows the airport operator to submit airport surface area NOTAMs directly into the Federal NOTAM System (FNS) rather than going through Flight Service;
- 2) The airport operator will provide the FAA with feedback on the suitability of the NOTAM Manager System and suggestions on how to improve the system including input to the FAA's human factors consultants.
- 3) If applicable, the FAA will deactivate all ENII accounts 60 days after the activation of NOTAM Manager System at the Airport.

c. Management of the project:

The management of this project will be done by the FAA's Aeronautical Services Team (AJM-336)

d. Roles and responsibilities:

Parties are bound by a duty of good faith and best effort in achieving the goals and objectives in Article 2 of this Agreement.

Airport will use its best efforts to protect password information to permit use of the FAA's NOTAM Manager System, and Airport will provide password information only on a need-to-know basis.

The FAA will use its best efforts to ensure the NOTAM Manager System operates at optimal performance level as designed.

e. Contributions of the Parties:

The FAA will provide:

- 1) a password function to the NOTAM Manager System which allows access to it by the airport operators;
- 2) the initial training of its personnel on how to use the system and a user manual;
- 3) a NOTAM subject matter expert (SME) during the initial phase of deployment to assist the airport personnel (direct-assist) with the new Airport NOTAM Manager System;
- 4) a point of contact person, (Customer Support Group), to respond to any questions which arise after deployment;
- 5) telephonic technical support to assist Airport during the term of this agreement; and
- 6) a completed Safety Risk Management Document on the NOTAM Manager System.

Airport will provide:

- 1) the personnel and web-accessible computers, Internet access, and any related and required equipment to allow operation of the NOTAM Manager System;
- 2) feedback on how the system is operating and how it might be improved;
- 3) the continuing ability to return to the existing legacy NOTAM system if the NOTAM Manager System is not operating as required to maintain the safety of the airport.

4) at least one airport training POC to receive a formal live or virtual training session prior to activation, provided by a designated FAA representative, on the NOTAM Manager System.

ARTICLE 3. EFFECTIVE DATE

The effective date of this Agreement is from the date of deployment of NOTAM Manager at the airport.

ARTICLE 4. REPORTING REQUIREMENTS

Airport shall report any suggestions on improvement of the NOTAM Manager System to the FAA through their Point of Contact and assist the FAA's human factors personnel with their research on improvements to the NOTAM Manager System.

ARTICLE 5. INTELLECTUAL PROPERTY

a. Rights in Data

The Government retains Government Purpose Rights in all data developed under this agreement. Airport agrees not to reverse-engineer any of the software, forms, or databases, including those accessible through the password-protected system described above, but shall use its access only for the purposes set out herein.

"Data" means recorded information, regardless of form or method of recording, which includes but is not limited to, technical data, computer software, trade secrets, and mask works. The term does not include financial, administrative, cost, pricing or management information.

"Government Purpose Rights" means the rights to –

(1) Use, modify, reproduce, release, perform, display, or disclose data within the government without restriction; and,

(2) Release or disclose technical data outside the government and authorize persons to whom release or disclosure has been made to use, modify, reproduce, release, perform, display, or disclose that data for government purposes.

"Government Purpose" means any activity in which the United States Government is a party, including cooperative agreements with international or multi-national defense organizations, or sales or transfers by the United States Government to foreign governments or international organizations. Government purposes include competitive acquisition by or on behalf of the government, but do not include the rights to use, modify, reproduce, release, perform, display, or disclose data for commercial purposes or authorize others to do so.

ARTICLE 6. LEGAL AUTHORITY

This Agreement is entered into under the authority of 49 U.S.C. 106(l) and (m), which authorizes agreements and other transactions on such terms and conditions as the Administrator determines necessary.

ARTICLE 7. POINTS OF CONTACT

FAA Program Office

Robert McMullen, Manager, Aeronautical Services, AJM-336

Airport Party

Valeria Steele, Airport Manager

ARTICLE 8. FUNDING AND PAYMENT

There will be no exchange of moneys since each party shall bear their own costs to implement this project and meet the goals and objectives of it as outlined above.

ARTICLE 9. APPROVAL OF SUBCONTRACTORS

There shall be no airport subcontractors involved on this project.

ARTICLE 10. CHANGES, MODIFICATIONS

Changes and/or modifications to this Agreement shall be in writing and signed by Manager, Aeronautical Services and Airport Management. The modification shall cite the subject Agreement, and shall state the exact nature of the modification. No oral statement by any person shall be interpreted as modifying or otherwise affecting the terms of this Agreement.

ARTICLE 11. TERMINATION

In addition to any other termination rights provided by this Agreement, either party may terminate this Agreement at any time, with or without cause, and without incurring any liability or obligation to the terminated party (other than the performance of obligations accrued on or prior to the termination date) by giving the other party at least thirty (30) days prior written notice of termination. Upon receipt of a notice of termination, the receiving party shall take immediate steps to stop the accrual of any additional obligations.

Either party may terminate this agreement immediately if either party determines that the safety of the airport is affected and return immediately to the existing NOTAM entry process currently in use prior to the initial deployment of the NOTAM Manager System.

ARTICLE 12. CONSTRUCTION OF THE AGREEMENT

This Agreement is an "other transaction" issued under 49 U.S.C 106 (l) and (m) is not a procurement contract, grant or cooperative agreement. Nothing in this Agreement shall be construed as incorporating by reference or implication any provision of Federal acquisition law or regulation.

Each party acknowledges that all parties hereto participated equally in the negotiation and drafting of this Agreement and any amendments thereto, and that, accordingly, this Agreement shall not be construed more stringently against one party than against the other.

ARTICLE 13. DISPUTES

Where possible, disputes will be resolved by informal discussion between the parties. In the event the parties are unable to resolve any disagreement through good faith negotiations, the dispute will be resolved by Aeronautical Services management of the FAA.

ARTICLE 14. WARRANTIES

The FAA makes no express or implied warranties as to any matter arising under this agreement, or as to the ownership, merchantability, or fitness for a particular purpose of any property, including any equipment, device, or software that may be provided under this Agreement.

ARTICLE 15. LIABILITY

The FAA assumes no liability under this Agreement for any losses arising out of any action or inaction by airport, its employees, or contractors, or any third party acting on its behalf. Each party agrees to be responsible for injury, death or property damage arising out of or in connection with its own acts or omissions under this Agreement, however, neither party waives its rights to sovereign immunity.

ARTICLE 16. PROTECTION OF INFORMATION

The parties agree that they shall take appropriate measures to protect proprietary, privileged, or otherwise confidential information that may come into their possession as a result of this Agreement.

NOTAM Coordination Compliance Statement

Consistent with the goals of the FAA's Next Generation (NextGen) program to modernize the Air Traffic Control system, Mid-Carolina Regional Airport (RUQ) will use the Federal NOTAM System (FNS) NOTAM Manager to manage surface area NOTAMs it is responsible for at RUQ.

FAA Order 7930.2 Notices to Airmen (NOTAMs) paragraph 3-1-1 a., states that the party that enters NOTAM data is responsible for informing the controlling facility. RUQ airport personnel will notify CLT ATCT via fax at (704) 359-1029 of the creation or cancellation of NOTAM(s). RUQ airport personnel will follow up with a phone call to CLT ATCT at (704)-359-1080 to ensure the receipt of the NOTAM(S).

I certify that RUQ shall comply with the above NOTAM coordination requirements and will enter the CLT ATCT fax number (704) 359-1029 into the notification box of NOTAM Manager.

HANGAR LEASE CONTRACT

THIS AGREEMENT, made and entered into this 26 day of Oct. 2018 by and between the County of Rowan, party of the first part, hereinafter referred to as "Lessor", and TFT Pilot Services, Inc., party of the second part, hereinafter referred to as "Lessee".

In consideration of the mutual covenants herein contained, it is agreed by and between the parties as follows:

1. The Lessee agrees to occupy up to but not exceeding 3826 square feet of a corporate hangar building, all located on property of the Rowan County Airport, referred to as Hangar 34, but more specifically shown on Appendix A (the "Leased Premises"). The Leased Premises shall include non-exclusive access to the Hangar via Hangar Doors and exterior ingress/egress doors.
2. The Lessor agrees to lease said building to the Lessee for the sum of \$1,453.88 per month for the Hangar space for a period of 12 months, commencing on December 1, 2018 and terminating at midnight on November 30, 2019. Any additional terms will be in accordance with NC General Statutes and with Rowan County's policy on Rental of Hangars. The parties acknowledge and agree that this Agreement is not assignable.
3. Hangar rent is due and payable on the first day of each month and shall be made at the Rowan County Finance Department, 130 W. Innes Street, Salisbury, N.C. 28144, either in person or by mail.
4. Hangar rent is considered late if not received by the 10th day of the month for which the rent is considered due. A late charge of 5% per month shall be added to payment which is more than ten (10) days late. The Lessor may take any action appropriate to collect late rental amounts, including termination of the annual lease.
5. During the term of this lease, the Lessee agrees to keep the Leased Premises in a good state of repair. Any damage to the hangar shall be immediately reported to the Airport manager. The Leased Premises and common hangar space is to be used for storage of Lessee's aircraft only, otherwise this lease agreement shall be deemed void.

6. Lessee shall indemnify, defend and save harmless Lessor from and against any and all loss, cost, damages, expense and liability caused by any accident or other occurrence causing bodily injury or property damage to any person or property arising from the use or occupancy of the Leased Premises by the Lessee, its officers, agents, employees, guests or invitees. Lessee, at its own expense will carry bodily injury and property damage liability insurance in an amount of not less than \$1,000,000 per occurrence for both General Liability and Aircraft Liability, with an insurance company acceptable to the Lessor and authorized to do business in the State of North Carolina. Lessee shall furnish certificates of such insurance to the Lessor prior to occupying the demised premises, and any such policy shall contain the provisions that Lessor shall be given thirty (30) days written notice of any intent to terminate such insurance, or the lapse in coverage by failure to renew such policy, by both Lessee and the insuring company. Such policy shall name Rowan County, a body Politic, as Additional Insured. Cancellation of such coverage for any reason shall be deemed a material breach of this Lease and as such this Lease shall be immediately terminated subject to the provisions contained herein regarding termination, rights and obligations of the parties.
7. The Lessee agrees to carry appropriate insurance on personal property of the Lessee contained in or about the demised premises to the extent of its full insurable value. Lessor and Lessee hereby mutually release and discharge each other from all claims or liabilities arising from or caused by fire or other casualty, whether covered or not, by personal property insurance on Lessee's property in or about the leased premises. Lessor is not responsible for damage to any aircraft, vehicle or property owned by Lessee caused directly or indirectly by wind, rain, flood, lightning or any act of God located in or about the leased premises.
8. Lessee may not store, maintain or possess any toxic, flammable, volatile, hazardous or biologically hazardous, or explosive substance in, about or around the demised premises without the express written permission of the Rowan County Manager. Lessee may not possess, store or maintain any illegal drugs, drug paraphernalia or any chemicals or equipment that can be used to make or manufacture illegal drugs. Nor shall the Lessee bring or possess any such illegal or hazardous substances or equipment defined in this section on to any part of Rowan County Airport. Lessee will be entirely responsible for any costs associated with removal and cleanup of fuel, oil, lubricants, hydraulic oil, petroleum solvents and any illegal or prohibited substance stored, spilled or otherwise disseminated by Lessee on or about the demised premises and premises of Lessor. Additionally,

Lessee shall maintain current records for all products that require Material Safety Data Sheet (MSDS) to the extent required by State or Federal laws and provide same to Lessor upon request. Violation of any part of this provision may result in the immediate termination of this lease.

9. Right of Inspection: Upon reasonable (24 hours) notice, Rowan County shall have the unqualified right to make routine inspections of the hangar, interior and/or exterior, in order to insure compliance with this Agreement. Entry for repairs, whether routine or emergency, or entry based on evidence of prohibited substances will not require any prior notice. Lessee will provide the Airport Manager a key to the demised premises and to any locked area within the premises upon occupancy.
10. Airport Rules and Regulations: Tenant shall abide by all rules and regulations of Rowan county airport, the FAA or any other governmental agency having jurisdiction within the airport. Any violation of such rules or regulations shall be deemed a material breach of this Lease and this Lease shall be immediately terminated subject to the provisions contained herein regarding termination, rights and obligations of the parties.
11. Default: The Lessee shall be deemed to be in default upon:
 - a. Failure to pay rent within 30 days after due date;
 - b. The filing of a petition under the Federal Bankruptcy Act;
 - c. The making of an assignment for the benefit of creditors;
 - d. Violation of any restrictions, covenants or conditions in this Lease, or failure to cure any such breach after written notice to Lessee within 30 days of such notice.
 - e. Default by Lessee shall authorize the Lessor, at its option and without legal proceedings, to declare this Lease void, cancel the same, and re-enter and take possession of the demised premises. Should Lessor have to take formal legal action to enforce any provision contained herein, Lessor shall be entitled to all costs, including reasonable attorney fees, should Lessor prevail in any such legal action.

12. Notices: Any notice required herein shall be deemed received three days after the postmarked date of such notice, and shall be mailed to either party at:

WHEREAS, the contractor has the staff available, certified to service and maintain the said electronic equipment of the owner to a standard of performance required by the Federal Aviation Administration (F.A.A.) and the Federal Communications Commission (F.C.C.)

WHEREAS, the owner desires to obtain the services of the contractor on a regular basis for the purpose of servicing and maintaining the I.L.S. System Electronic Equipment, LOM Electronic Equipment, and Airfield Lighting Systems at the Rowan County Airport.

NOW, THEREFORE, for and in consideration of the mutual covenants hereinafter contained, the parties agree to the following:

1. MAINTENANCE SERVICES TO BE PERFORMED BY THE CONTRACTOR:

A. The Contractor shall provide the labor of qualified technicians to service and maintain said equipment, in accordance with standards promulgated by the Federal Aviation Administration (F.A.A.) and Federal Communications Commission (F.C.C.). Said maintenance and service shall not include the installation of new or replacement equipment, the relocation of said equipment, nor repairs for damage caused by aircraft or vehicles, lightning, high water, or acts of God. (See attached Part II, Maintenance Requirements)

B. Coordinate all purchases/exchanges for replacement parts, modules, components, and circuit cards with the owner.

C. Provide technical assistance during all routine ground and flight checks of the facility.

2. PAYMENT OF THE CONTRACTOR FOR SERVICES:

The Owner shall pay or cause to be paid, to the contractor the sum of: ONE THOUSAND, SEVEN HUNDRED NINETY FIVE AND 00/100 DOLLARS (\$1,795.00) per month paid on a MONTHLY basis within thirty (30) days of said invoice, for the maintenance services.

3. REPLACEMENT PARTS AND ACCESSORIES:

A. All charges or fees for replacement or exchange parts and/or accessories shall be invoiced to the Owner, which sums shall be paid to the contractor within thirty (30) days.

B. All charges or fees for calibration of owner provided test equipment, when required shall be invoiced to the Owner, which sums shall be paid to the contractor within thirty (30) days.

4. TERM:

This agreement shall be for the term of ONE (1) year(s), commencing on JULY 1st, 2019 and ending on JUNE 30th, 2020.

Either party may terminate this agreement, after a sixty (60) day notice is given. This agreement may be terminated immediately by written consent of all parties. The

undersigned also agree that noncompliance with any of the above requirements will be grounds for cancellation of this agreement. At any time that this agreement is canceled or the contractor has discontinued providing services to the above equipment at the owner's facility as the maintenance technician of record, the F.A.A. shall be notified within 10 days, as required by the Federal Aviation Administration.

Page 2 of 3

Each party agrees to protect, defend, indemnify and hold the other party and its officers, employees and agents free and harmless from and against any and all losses, penalties, settlements, costs, charges and professional fees or other expenses or liabilities of every kind and character arising out of or related to any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind and character in connection with or arising directly or indirectly as a result of harmful acts performed by the other or its employees.

This instrument has been preaudited in a manner required by the Local Government and Fiscal Control Act.

IN WITNESS THEREOF, the parties have executed this Maintenance Agreement on this the date and year first written above.

PART II. MAINTENANCE REQUIREMENTS

A. General.

1. The facility shall be maintained in accordance with applicable subparts of FAR 171 and the manufacturer's instruction manuals, maintenance technical handbooks, and/or other F.A.A. approved requirements. The standard F.A.A. required standards and tolerances will be used. If they do not exist, then the manufacturer's guidelines and manual shall be used.

NOTE: The maintenance schedules and requirements contained in these publications are to be considered a minimum level of maintenance in accordance with FAR Part 171.

2. The F.A.A. shall be responsible for providing FAA Forms and appropriate publications as required for the maintenance of this facility. These forms are made available by the F.A.A. at no charge.

3. If a verified maintenance technician is not assigned or if the maintenance schedules as set forth by the F.A.A. maintenance procedures are not adhered to, this equipment shall be removed from service unless the owner or his designated representative has coordinated the exact circumstances with the F.A.A.

4. Facility Reference Data File, Appendix 1, (Facility requirements performance and adjustment data forms, called Record of Meter Readings and Adjustments, FAA Form 198 in FAR 171) shall be filled out by the owner or the owners designated representative at the time of the facility commissioning. The original must be kept in the permanent records of the facility, and one copy must be sent to the appropriate office of the F.A.A. The owner or owner's designated representative, must revise the data after any major repair, modernization, or retuning to reflect an accurate record of the facility operation and adjustment. In the event the data is revised, the owner or owner's designated representative must notify the appropriate F.A.A. office of such revisions and forward copies of the revisions to the appropriate F.A.A. office within 10 working days.

5. Facility Maintenance Log, FAA Form 6030-1

A. This log (called Facility Maintenance Log, FAA 406c, in FAR Part 171) is a permanent record of all of the activities required to maintain the facility. Log entries shall be clear, complete, concise, and recorded in Coordinated Universal Time (UTC). The entries must include all malfunctions encountered in maintaining the facility, including information on the kind of work and adjustments made, equipment

failures, causes (if determined) and corrective action taken. In addition, the entries must include statements describing periodic maintenance activities required to maintain the facility, facility verification statements, and NOTAM Information. The original white pages of the maintenance logs shall be retained at the facility for a period of not less than three (3) years. A copy of the log pages shall be sent to the appropriate Airway Facilities Sector Field Office for review within 10 working days after the next facility visit after the end of the month/quarter/semiannual inspection.

B. Among the most important entries in the facility maintenance log are those indicating the verification status of the system, sub-system, or equipment. For the purpose of this agreement, the word "certification" used in F.A.A. directives shall be synonymous with "verification". Verification statements shall be entered in the facility maintenance log (FAA Form 6030-1) in accordance with appropriate FAA directives and orders. A verification statement shall be made before returning a system, sub-system, or equipment to service after the system has been out of service due to hardware or software failure and whenever maintenance work has been which may have affected the verification parameters.

6. Technical Performance Record, FAA Form 6000 Series (called Radio Equipment Operations Record, Form 418, in FAR 171) contains a record of system parameters recorded during each visit to the facility. The owner, or owners designated representative, shall keep the original page of the technical performance record at the facility and send a copy to the appropriate FAA Airway Facility Sector Field Office for review within 10 working days on a semiannual basis.

7. Improvement in maintenance equipment or procedural modifications shall be funded and incorporated by the owner, following approval by the F.A.A. An addendum to the operations and Maintenance Manual, approved by the F.A.A. shall be completed if necessary.

8. The Owner or owners designated representative shall notify the F.A.A., for approval any proposed modifications to the facility and shall not permit any modifications to be performed without specific F.A.A. approval.

9. Neither the equipment nor the antenna will be replaced or relocated without prior F.A.A. approval. No construction is to be planned in the vicinity that may alter or affect the facility without first coordinating with the F.A.A. Status monitor receivers shall not be removed or relocated without F.A.A. approval.

10. Vegetation, trees, snow depth, and other potential obstructions to the accuracy of the facility operations shall be controlled in accordance with applicable F.A.A. handbooks.

11. The facility shall be kept locked at all time. Normal protection shall be provided to ensure that unauthorized personnel do not have access to the equipment.

12. F.A.A. Flight Inspections will be preformed as required in the F.A.A. handbook OAP 8200.1 United States Standard Flight Inspection Manual. The owner shall provide at the facility, Air-to-Ground communications on 135.85 MHZ or 135.95 MHZ for flight inspection

operations when required. The verified maintenance technician shall participate in this flight inspection as required by the F.A.A. Those activities are outlined in the F.A.A. handbook.

13. Ground Inspections

A. F.A.A. Ground Inspections will be accomplished according to the facility type as outlined in the F.A.A. handbook. The verified maintenance technician shall be contacted by the appropriate F.A.A. Airways Facilities Sector Field Office to schedule a ground inspection. The owner of the facility shall be notified of all flight and ground inspections. Failure to meet the technical standards for equipment maintenance may be grounds for cancellation of the facility's Instrument Approach Procedure.

B. The F.A.A. may conduct a follow up inspection when the facility may have been a factor in an aircraft accident / incident.

14. Occupational Safety and Health Administration (OSHA) requirements shall be followed to insure the safety of personnel in or at the facility. Vegetation shall be controlled to allow access to the facility.

IN Accordance with the requirements of the applicable provisions of F.A.A. FAR Part 171 and the Operations Maintenance Manual (OMM) for the RUQ/LOC; RUQ/End Fire GS; RUQ/OM; RUQ/NDB; and RUQ/MALSR serving the Rowan County Airport, as approved by the Federal Aviation Administration, ILS Technical Service, Inc. will provide verified maintenance technicians which have been approved for this facility.

The NCDOT Division of Aviation requires effective airport planning and management for all projects to ensure that funds are expended within two years from the date of this letter unless authorized in writing by the NCDOT Division of Aviation. Should the Airport encounter reasonable delays, the Division of Aviation has the ability to reprogram existing-year funds to a later year and divert the monies to another airport to expend those funds.

After the project is completed and the final reimbursement request has been processed, the NCDOT Division of Aviation has the authority to rescind any remaining unused funds (with the exception of NPE funds) for use toward other projects.

TERMINATION OF CONTRACT & RELEASE

This Termination of Contract & Release is dated and effective as of the date set forth at the end of this document, by and between Rowan County, North Carolina, a body politic (the "County") and Strategic Moves, LLC ("Strategic Moves").

Whereas, Strategic Moves and the County entered into (i) a Relocation and Expansion Assistance Agreement – Rowan County Airport on or about April 17, 2015, *as amended* (the "Relocation Contract") and (ii) a Corporate Hangar Lease effective January 1, 2016, *as amended* (the "Lease") (collectively, the Relocation Contract and the Lease may be at times herein referred to as the "Lease Agreements").

Whereas, Strategic Moves has suffered financial difficulties and the loss of clients, leading to its winding down of aircraft management operations and the transition of its clients to other companies;

Whereas, the County and Strategic Moves hereby wish to terminate the Lease Agreements and provide for a swift resolution to such process, enabling the County to replace Strategic Moves with another tenant as quickly as practicable;

NOW THEREFORE, it is agreed by and between and the County and Strategic Moves as follows:

1. **Termination of Lease Agreements.** By mutual consent, each of the Lease Agreements is hereby terminated effective November 30, 2019, and neither party shall have any rights, obligations, or duties under such Lease Agreements after such date except as specifically set forth herein.
2. **Vacating Premises.** Strategic Moves shall, not later than November 30, 2019, vacate the premises described in the Corporate Hangar Lease and remove its personal property items from such premises by such date.
3. **No Right to Assign.** With the cancellation and termination of the Lease Agreements, Strategic Moves shall have no further right to sublet or assign the Lease Agreements to any entity as set forth in Paragraph 10 of the Corporate Hangar Agreement.
4. **Release of Claims: By County.** Except as specifically set forth in Paragraph Six below, the County does hereby fully and forever release and

discharge Strategic Moves — and its members (including specifically Steven R. Setzer), managers (including specifically Steven R. Setzer and/or Bounsana T. Senekham), owners, executives, agents, attorneys, insurers, and all other related parties — from any and all charges, claims, demands, amounts, judgments, actions, causes of action, damages, debts, agreements, remedies, promises, suits, losses, obligations, expenses, costs, attorneys' fees, liabilities and claims for relief of every kind and nature, whether matured or unmatured, known or unknown, direct or indirect, vested or contingent, in law, equity or otherwise, related in any manner to the Lease Agreements.

5. **Release of Claims: By Strategic Moves.** Except as specifically set forth in Paragraph Six below, Strategic Moves does hereby fully and forever release and discharge the County — and its employees, governing agents, commissioners, managers, attorneys, insurers, and all other related parties — from any and all charges, claims, demands, amounts, judgments, actions, causes of action, damages, debts, agreements, remedies, promises, suits, losses, obligations, expenses, costs, attorneys' fees, liabilities and claims for relief of every kind and nature, whether matured or unmatured, known or unknown, direct or indirect, vested or contingent, in law, equity or otherwise, relating in any manner to the Lease Agreements.

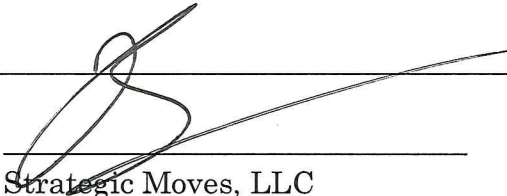

6. **Exception of Release.** Nothing in this document or agreement shall relieve Strategic Moves, LLC, from any claims by the County for physical damage to the premises demised in the Corporate Hangar Agreement.

7. **Authority.** The undersigned, in his designated capacity for and on behalf of Strategic Moves, has all requisite power, right and authority to enter into this Termination of Contract & Release, and has complied with its Operating Agreement as to approvals necessary to enter into this comprehensive release of claims without the additional consent or approval of any other person, Member or governmental or regulatory authority. Strategic Moves has taken all actions necessary for the authorization, execution, delivery and performance of this Agreement and the other Transaction Documents. This Termination of Contract & Release when duly executed and delivered by the undersigned, will be the legal, valid and binding agreement of Strategic Moves and shall be enforceable against Strategic Moves and its Members in accordance with the terms herein.

Re: Delta Dental Smiles for Children Grant

Situation:

The Rowan County Health Department's Smile Center, has implemented a prenatal dental program which provides education and treatment for pregnant, uninsured clients on the importance of establishing and following an oral healthcare regimen. This program intervenes to address oral hygiene issues, which if untreated, can negatively impact the mothers as well as, the newborn infants. This program, sponsored by Delta Dental, allows us to assist approximately 8-10 patients per year. This only addresses a small portion of the population in Rowan County who could benefit from this program if more funds were available.

Background:

Based on a 2016 study of 459 pregnant women on Perinatal Oral Health in North Carolina, less than half of the pregnant women studied reported "good" or "excellent" oral health. Many of the changes that occur during pregnancy can affect oral health and often diseases from bacteria in the mouth can reach the fetus and contribute to negative pregnancy outcomes. The study concluded that "to improve maternal and child oral health outcomes, medical and dental care providers must understand the significance of recognizing, preventing and treating oral health care problems during pregnancy."

Assessment:

Last year, using funds from Delta Dental, the Rowan County Health Department was able to treat eight clients with significant dental needs. Services provided included exams, education and restorative treatments. We are requesting an additional \$5000 for 2020 to continue this important outreach to this vulnerable group of Rowan County residents.

Recommendations:

The Rowan County Health Department respectfully requests approval to submit a grant request to the Delta Dental Foundation, which would allow us the opportunity to positively impact the oral healthcare of prenatal clients in our county. If awarded funding, we would be able to provide much needed education, preventative and restorative care to a deeply needy population and help promote the establishment of oral healthcare as a priority in a overall healthy lifestyle.

Submitted by:
The Rowan EDC

November 8, 2019

The Honorable Gregory C. Edds
Rowan County Board of Commissioners
130 West Innes Street
Salisbury, NC 28144

Re: Summary of Proposed Location of Project Bay in Rowan County, NC

Dear Chairman Edds and County Commissioners:

On behalf of your Economic Development Commission, please allow me to present to you this summary of the proposed location of Project Bay in Rowan County.

We are optimistic that, with your support, this project will reach a successful conclusion, creating new employment and expanding the nonresidential tax base in Rowan County. This document addresses the primary drivers and impacts of the project, and is designed to provide you the information necessary to consider their request for assistance.

We sincerely hope that you find this document a useful resource as you consider this matter. We have expended substantial efforts to gather as much information as possible regarding the potential impacts this project could have on our County and its citizens. In order to accomplish this, we have relied on a variety of public and private sector partners. At this time, in addition to company representatives from Project Bay, we would like to thank:

- Nate Groover, Business Recruitment Manager, Economic Development Partnership of NC
- Irene Sacks, Director of Economic Development, City of Kannapolis
- David Hartigan, Principal, Hartigan Management

In the preparation of this document, we have strived to utilize factual data and realistic projections using the best information available. It is our intent that this document serve as a resource as you deliberate potential actions.

Please do not hesitate to contact our offices with any questions you may have regarding this matter. We look forward to your feedback.

Sincerely,

Scott Shelton
Vice President

6. Draft Incentive Agreement

1. Project Description

The company behind Project Bay seeks to join the burgeoning Cannabidiol (CBD) industry by establishing a new facility to manufacture CBD consumer products as well as serve as a headquarters for botanical derivative research. All CBD used in product manufacturing at the site will be derived directly from hemp plants.

The former Ei Solutions facility, located at 2865 North Cannon Boulevard, is under consideration for this project along with facilities in South Carolina and Kentucky.

If our community were chosen, the company would create 161 new jobs over the next four years. Some of the proposed job categories include Manufacturing Technicians, Lab Technicians, Material Preparations Specialists and Facilities Technicians.

The company would also invest approximately \$21.4 million into the property through improvements to the facility and major equipment upgrades. The majority of these improvements would be completed by the end of 2020.

2. Regulatory Approval Process

Zoned appropriately for the proposed use, there does not appear to be any regulatory barriers to this project moving forward. The company will work with the City of Kannapolis and the Rowan County Building Inspections Department to navigate the appropriate review and permitting process. There are no components of the proposed project that appear outside the normal scope of operations for these types of facilities.

3. Requested Assistance

Rowan County's adopted Investment Grant Program provides a five-year grant to companies investing in our community. The grant is established by a contract between the company and Rowan County. The company must pay their taxes in full each year based on the actual tax value of the property or investment to be eligible to receive the grant. If the company meets all of the criteria in the contract, a portion of the property tax will be returned as a grant. The amount of the grant is based on a designated percentage level for five consecutive years. Below is a chart that summarizes the categories of grants, including the minimum investment required and the percentage of new taxes paid that would be returned as a grant:

<i>Grant Category</i>	<i>Minimum Taxable Investment Required</i>	<i>Percentage of Paid Taxes Returned as a Grant</i>
Level 1 Grant	\$5 million dollars	75%
Level 2 Grant	\$50 million dollars	80%
Level 3 Grant	\$100 million dollars	85%

The company is requesting a Level 1 Grant under this program for the amount and duration adopted in the policy. In order to illustrate the revenue impact of this potential project on Rowan County, we have projected revenue returns over a 10-year period. These projections are provided below in Section 4.

We respectfully request that the Board of Commissioners consider approving their request based on the potential impact on our community from the project. A “Draft” copy of the proposed Incentive Agreement is attached.

Other Potential Assistance

The Rowan EDC is working with ‘Project Bay’ to pursue a Building Reuse Grant through the State of North Carolina. This grant can help the company with planned electrical, HVAC and roof improvements. In addition, we are pursuing a One NC Grant from the State for the project. The required local matches for these grants can be satisfied through the County’s Level 1 Grant.

On November 25th, the Kannapolis City Council will also consider assistance for the project through its ‘Industrial Development Grant Program.’

4. Model of County Revenue – 10-Year Horizon

If Rowan County were chosen, Project Bay would begin installing new equipment in early 2020. The majority of new construction, and infrastructure improvements will be complete by December 31, 2021. Additional equipment installations would occur through 2024. The overall investment timeline is based on information provided to the Rowan EDC by the company.

The evolving nature of County tax rates, assessed value of the installed equipment, and construction timelines require certain assumptions in order to develop a functioning model. To establish a baseline, the following constants were applied:

- The County tax rate is fixed at the current rate of .6575
- \$17.65 million of new equipment and construction occurs prior to December 31, 2021
- The project is complete by December 31, 2024

In application, it is unlikely that all assumptions will hold constant. The model provides general trends of expected revenues and expenditures.

Incorporating the above framework, the following outcomes are projected:

- During the five incentivized years, Rowan County would collect \$568,738 in revenue and provide incentive grants totaling \$426,553. The County would retain \$142,185 of revenue during the incentive term.
- Modeled with a 10-year horizon, Rowan County would stand to collect an estimated \$1,272,263 disburse a \$426,553 grant and retain an estimated \$845,710 of new revenue.

5. Closing

This project appears to have a lengthy list of positive attributes and no apparent liabilities. If Rowan County were chosen, Project Bay would create a total of 161 new full time jobs as well as add \$21.4 million dollars to the County's tax base. The project would also generate approximately \$140,705 of annual tax revenue for the County after the incentive period concludes.

On behalf of the staff of your Economic Development Commission, we look forward to providing you any additional information requested, or meeting with you personally to discuss these findings in detail. We hope that you have found this information useful as you consider this matter.

6. Draft Incentive Agreement

NORTH CAROLINA
ROWAN COUNTY

RELOCATION AND EXPANSION ASSISTANCE AGREEMENT

THIS RELOCATION AND EXPANSION ASSISTANCE AGREEMENT (the "Agreement") is made and entered into as of the ____ day of _____, 20____, by and between Rowan County, North Carolina, a body politic (hereinafter referred to as the "County") and "Project Bay" and its wholly owned subsidiary, _____, (hereinafter jointly referred to as the "Company").

WITNESSETH

WHEREAS, the Company has explored the possibility of establishing a new or expanding an existing facility in Rowan County (the "Project"), which would increase taxable property in the County and result in the creation of a number of jobs in the County, but would not have a significant detrimental impact to the environment of the County; and

WHEREAS, the Company has determined that the property located at 2865 North Cannon Blvd, Kannapolis, North Carolina, also identified as Rowan County Tax Parcel 133 144 (the "Property"), is a suitable location for its expansion and improvement; and

WHEREAS, in order to induce the Company to relocate, expand, or improve on the Property, the County is willing to provide, or cause to be provided, to the Company certain inducements, upon terms and conditions binding upon the County as set forth herein; and

WHEREAS, prior to beginning any relocation, expansion or improvement on the Property, the Company and County met and agreed to enter into this Agreement; and

WHEREAS, in consideration of the undertakings and agreements set forth herein, approximately \$21.4 million dollars will be invested by or on behalf of the Company in new equipment and other real property improvements on the Property, and to create a certain number of jobs as provided herein and further comply with the covenants and conditions binding upon it as set forth herein, all of which are intended to create a positive economic impact in the County.

NOW THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Company and the County hereby agree as follows:

ARTICLE I
COUNTY INDUCEMENTS

The County shall provide financial assistance to the Company through its "Relocation and Expansion Assistance Program", as hereinafter described, with respect to the Company's development of the Property and other related expenses as follows:

- 1) The "Relocation and Expansion Assistance Program" will be provided as a "Relocation and Expansion Incentive Grant" ("Grant") to assist the Company with construction, equipment, and other capital improvements in Rowan County. The Grant will specifically apply to the Property and all real property improvements and personal property newly installed and used at the Property ("Facility").
- 2) The amount of the Grant will be computed using the following steps:

a) Real Property Valuation.

- i) For each tax year that the Grant is applicable to a Property (subject to the limitations below), determine the actual assessed tax value of the real property, located at such Property.
- ii) Subtract from the above amount in a) i) the baseline real property value of the Property assessed as of January 1, 2020, and prior to the investments made by the Company in real property at such property. The annual result of this computation shall be defined as the “New Real Property Value” for the applicable Property.

b) Personal Property Valuation.

- i) For each tax year that the Grant is applicable (subject to the limitations below), determine the actual assessed tax value of all personal property, excluding supplies and rolling stock, located at and used in such Property.
- ii) Subtract from the above amount in b) i) the assessed tax value of personal property, excluding supplies and rolling stock, located at and used on such Property as of January 1, 2020. The annual result of this computation shall be defined as the “New Personal Property Value” for the applicable Property.

c) County Property Tax Determination. The sum of the New Real Property Value and the New Personal Property Value of a Property for each applicable year shall be the “New Property Value” of such Property for such year. Multiply the New Property Value for each applicable Property by the County tax rate (excluding municipal and fire district tax rates) applicable for the tax year at issue to determine the amount of property taxes applicable to the new property at such Property.

d) Grant Amount Determination. Multiply the property taxes applicable to the New Property Value for each applicable Property by 75% (0.75).

- 3) The Grant will be structured as a reimbursement of a portion of the real and personal property taxes assessed against each applicable Property and the Company. Such payment of the Grant will be made to the Company. Payment may be requested by the Company no sooner than January 1st and no later than June 30th of the fiscal year in which the taxes are due. The Grant will be paid within sixty (60) days of the Company providing certifications as set forth in Article III(3), and receipt of the Company’s full payment of all real and personal property taxes due to the County. Payment of the Grant shall be equal to Seventy-Five Percent (75%) of the County property taxes (excluding municipal and fire district taxes) paid on the New Property Value of the Property by the Company according to Paragraph (2) above at the prevailing Rowan County tax rate for the tax year of the requested Grant.
- 4) Tax amounts due on property discovered by the County through its customary audit procedures and not listed by the Company shall be excluded from this Agreement, and the County shall not be responsible for reimbursement on these amounts for any tax year.

ARTICLE II
SCHEDULE OF CORPORATE IMPROVEMENTS

- 1) The Company has determined that the Property is a suitable site for location of its Facility and shall acquire all local permits, zoning approvals, and required state and federal permits, if applicable. The Company expects to begin investing in 2020 and substantially complete the Project by December 31, 2021. Additional investments are expected to follow in 2022, 2023 and 2024.
- 2) The Company shall receive the Grant for five separate tax years ("Grant Term"), which shall begin with property assessed as of January 1, 2021, with the first such reimbursement to be provided to the Company by the County during fiscal year ended June 30, 2022. If the Facility is not complete by January 1, 2021, the Grant shall be based on the percentage complete and assessed for that year.
- 3) Unless an event triggering the Force Majeure provision set forth in Article VII herein shall occur, the initial year shall commence on property assessed as of January 1, 2021.
- 4) Any subsequent qualifying expansion of the Facility by the Company shall be eligible (provided the Relocation and Expansion Assistance Program is still in effect) for consideration as a separate Grant under the Relocation and Expansion Assistance Program, each for a separate Grant Term.

ARTICLE III
EMPLOYMENT

- 1) The Company projects that it will create 161 Full Time Equivalents ("FTEs") with this Project. As of December 31, 2024, the Company shall employ 161 FTEs at this Project. A FTE position requires at least 1,600 hours of work per year and is provided standard company benefits.
- 2) In each Fiscal Year (FY) that the company requests the disbursement of grant funds, the Company shall certify that the following employment goals have been met, prior to receiving payment:

<u>County Fiscal Year (FY)</u>	<u>Number of New FTEs (in aggregate)</u>
FY 21-22	31
FY 22-23	80
FY 23-24	126
FY 24-25	144

- 3) The Company shall certify annual progress towards the employment of the required number of FTEs to the County on or before June 30, 2022, and on June 30th following each of the remaining years of the Grant Term. Such certification shall include a copy of the Company's "*Employers Quarterly Tax and Wage Report*" (Form NCU1 101 filed with the NC Employment Security Commission) for the quarter a) ending on or immediately preceding the date of the annual request and b) the number of FTEs as of that same date. If the NCUI 101 is discontinued or modified, a successor form performing

a comparable function must be submitted. The Company shall also provide copies of its One NC Grant reporting to the County when they have been submitted to the State.

- 4) Should the Company fail to certify its annual employment numbers by June 30th, the County may allow the Company an extended cure period to file and certify this particular report annually.
- 5) If the Company does not meet the employment goals, the County will reduce the annual Grant payment on a pro-rata basis until such time as the Company once again meets employment goals. Pro-rata reduction shall be computed based on the percentage of the goal not met for the given year.

ARTICLE IV

TERMINATION OF GRANT AGREEMENT AND REQUIRED REPAYMENT OF GRANT FUNDS UPON ANNOUNCED TERMINATION OF OPERATIONS OR MAJORITY REDUCTION IN WORKFORCE

- 1) The assistance provided by Rowan County, through the Relocation and Expansion Assistance Program, represents a substantial commitment of public resources. Companies that participate in this program are expected to maintain and continue operations beyond the end of the Grant Term.
- 2) Should the Company cease operations or eliminate the majority of their workforce (51% reduction or more within a twelve (12) month span), the Agreement will be terminated and the Company will be required to repay all grant proceeds provided during the thirty-six (36) months prior to the cessation or reduction.
- 3) Repayment of grant funds shall be required if the Company has received any grant disbursements from the County within the thirty-six (36) months prior to the earlier of (a) Public announcement by the Company of plans to close or eliminate the majority of the workforce, (b) Actual cessation of operations, or elimination of a majority of the workforce.
- 4) The Company shall make payment to the County within one hundred and twenty (120) days of such announcement or event. The County may use any and all legal recourse to pursue restitution from the Company and / or its successors.

ARTICLE V

RELOCATION AND ASSISTANCE GRANT ADDITIONAL TERMS AND CONDITIONS

As further consideration for the granting of certain relocation and assistance grants to the Company by the County, the Company further agrees that it shall abide by the Federal Immigration and Control Act of 1986 and all subsequent amendments thereto (collectively the "Act"). To that end, the Company agrees as follows:

- 1) The Company shall provide to Rowan County an annual certification, as of the time the Company first claims the Grant and each year it claims an installment or carryforward of the Grant, that the Company has implemented measures necessary to be in compliance with the Act and does not knowingly employ any unauthorized alien at the Facility; and

- 2) If the Company fails to implement measures necessary to be in compliance with the Act or knowingly employs an unauthorized alien at the Facility, and if upon learning of such event, fails to cure such matter within sixty (60) days from learning of such, then the Grant shall expire and the Company may not take any remaining installment or carryforward of the Grant.

ARTICLE VI
REPRESENTATIONS, WARRANTIES AND COVENENANTS - COMPANY

The Company represents, warrants and covenants to the County, as applicable, as of the date of this Agreement that:

- 1) Standing. The Company is a company duly organized and existing and in good standing under the laws of the State of North Carolina.
- 2) Authority. The Company has the corporate power and authority to own its properties and assets, to carry on its business as it is now being conducted and to execute and perform this Agreement.
- 3) Enforceability. This Agreement is the legal, valid and binding agreement of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar state or federal laws, in effect from time to time, which affect the enforcement of creditors' rights generally.
- 4) No Violations. This agreement does not violate the charter documents or bylaws of the Company or any provisions of any indenture, agreement or other instrument to which the Company is a party.
- 5) No Conflicts. This agreement does not conflict with, result in a breach of or constitute an event of default under (or an event which, with notice or lapse of time, or both, would constitute an event of default under) any indenture, agreement or other instrument to which the Company is a party.
- 6) Certifications. The Company shall be solely responsible for providing certifications of expenditures and jobs to the appropriate County officer at the time of filing the request for the annual Grant

ARTICLE VII
REPRESENTATIONS, WARRANTIES AND COVENENANTS - COUNTY

The County represents, warrants and covenants to the Company, as applicable, as of the date of this Agreement that:

- 1) The County (a) has full power and authority to enter into this Agreement and to enter into and carry out the transactions contemplated by this Agreement (b) by proper action has duly authorized the execution and delivery of this Agreement; and (c) is not in default under any provisions of this Agreement.

- 2) The County has duly authorized, executed, and delivered this Agreement, and this Agreement constitutes the County's legal, valid, and binding obligation, enforceable in accordance with its terms.
- 3) There is no litigation or proceeding pending or threatened against the County or affecting it which would adversely affect the validity of this Agreement.
- 4) The County is not in default under any provision of State law which would affect its existence or its powers as referred to in subsection (1).
- 5) To the best of the County's knowledge, no officer or official of the County has any interest (financial, employment, or other) in the Company or the transactions contemplated by this Agreement.
- 6) With respect to this Agreement, the County has complied fully with all requirements of N.C. General Statute 158-7.1 *et seq.*

ARTICLE VIII GENERAL PROVISIONS

- 1) Governing Law. This Agreement shall be governed and construed under the laws of the State of North Carolina, notwithstanding any rules concerning application of the laws of another state or jurisdiction.
- 2) Assignment. This Agreement shall not be assignable by either party without the prior written consent of the other party, except that Company may assign this Agreement to a parent, subsidiary or affiliate as a part of any corporate restructuring.
- 3) Entire Agreement. This Agreement, and its attachments, constitute the entire agreement of the parties, and may not be contradicted by any prior or contemporaneous communications of any kind. This Agreement may only be modified by a written instrument that is signed by an authorized representative of each party.
- 4) Breach. In the event of a breach of this Agreement, the non-breaching party shall provide written notice of the breach to the breaching party, and the party in breach shall have thirty (30) days from the date of notice of the breach to cure its performance under this Agreement.
- 5) Waiver. Nothing in this Agreement shall constitute a waiver of any rights that the Company may have to appeal or otherwise contest any listing, appraisal or assessment that the County may make relative to the Properties.
- 6) Force Majeure. Any delay in the performance of any duties or obligations of either party hereunder (the "Delayed Party") shall not be considered a breach of this Agreement and the time required for performance shall be extended for a period equal to the lesser of (a) the period of such delay or (b) 24 months, provided that such delay has been caused by or is the result of any acts of God; acts of the public enemy; insurrections; riots; embargoes; labor disputes, including strikes, lockouts, job actions, or boycotts; shortages of materials or energy; fires; explosions; floods; changes in laws governing international trades; or other unforeseeable causes beyond the control and without the fault or negligence of the Delayed Party. The Delayed

Party shall give prompt notice to the other party of such cause, and shall take whatever reasonable steps are necessary to relieve of such cause as promptly as possible. No such event shall excuse the payment of any sums due and payable hereunder on the due date thereof except any payment due upon the occurrence of any act or event for which delayed performance is excused as provided above.

- 7) Notices. All notices required or allowed by this Agreement shall be delivered in person, by overnight courier service (such as Federal Express), by certified mail, return receipt requested, postage prepaid, secure electronic transfers or by fax with written confirmation of receipt (with a copy sent by one of the other methods specified herein), addressed to the party or person to whom notice is to be given at the following addresses:

MEMO TO COMMISSIONERS:

FROM: Ed Muire, Planning Director
DATE: November 8, 2019
SUBJECT: Census 2020: Resolution of Support

\$675 billion in federal funds are annually distributed to housing, education, transportation, employment, health care and public policy using population statistics as the primary factor for allocating these funds. The decennial census is the manner in which the distribution formula can be "re-calibrated", so obtaining an accurate count for a community is of utmost importance.

Rowan County and some its municipalities have been in preparation for the 2020 Census and are hosting a kick off event for the Complete Count Committee on November 21, 2019 at the West End Plaza Events Center. This event is designed to promote participation through partnerships with a variety of business, governmental, community, education, media and faith-based agencies to underscore the importance of an accurate population count for Rowan County.

RECOMMENDATION

1. Read Resolution of Support for the 2020 Census.
2. Authorize Chairman to sign the resolution.

RESOLUTION SUPPORTING THE 2020 CENSUS PARTNERSHIP

WHEREAS, the U.S. Census Bureau is required by the U.S. Constitution to conduct a complete count of the population that provides a historic opportunity to help shape the foundation of our society and play an active role in American democracy; *and*

WHEREAS, Rowan County, NC is committed to ensuring every resident is counted; *and*

WHEREAS, federal and state funding is allocated to communities, and decisions are made on matters of national and local importance based, in part, on census data and housing; *and*

WHEREAS, census data helps determine how many seats each state will have in the U.S. House of Representatives and are necessary for an accurate and fair redistricting of state legislative seats, county and city councils and voting districts; *and*

WHEREAS, information from the 2020 Census and American Community Survey is vital for economic development and increased employment; *and*

WHEREAS, the information collected by the census is confidential and protected by law; *and*

WHEREAS, a united voice from business, government, community-based and faith-based organizations, educators, media and others will enable the 2020 Census message to reach more of our residents; *and*

WHEREAS, the Census count requires extensive work, and the Census Bureau requires partners at the state and local level to insure a complete and accurate count; *and*

WHEREAS, Rowan County, NC and its Complete Count Committee will bring together a cross section of community members who will utilize their local knowledge and expertise to reach out to all persons of our community.

NOW, THEREFORE, BE IT RESOLVED that Rowan County, NC is committed to partnering with the U.S. Census Bureau and the State of North Carolina and will:

1. Support the goals for the 2020 Census and will disseminate 2020 Census information;

2. Encourage all County residents to participate in events and initiatives that will raise the overall awareness of the 2020 Census and increase participation;
3. Provide CCC members and Census advocates to speak to County and Community Organizations;
4. Support census takers as they help our County complete an accurate count; and,
5. Strive to achieve a complete and accurate count of all persons within our borders.

Adopted by the Rowan County, North Carolina Board of Commissioners on the 18th day of November, 2019.

Re: Breast and Cervical Cancer Control Program (BCCCP)

Situation:

The Department of Public Health / Cancer Prevention and Control Branch goal is to reduce morbidity and mortality due to breast and cervical cancers. They have approved and awarded Rowan County Health Department funding for breast and cervical cancer screening services to eligible women.

Background:

The Rowan County Health Department requested re-instatement of the program to make it more accessible to our citizens who had been traveling to Cabarrus Health Alliance for the services. The funds are awarded in a capitated manner with unused funds received for care for one client rolling over to be used for another with additional costs. Rowan County has received funds to serve 50 clients November 1st through May 21st. At the capitated rate of \$325 per client, that is a total award of \$16,250.

Assessment:

Funds have been assigned to the Rowan County Health Department following receipt of the signed Agreement Addenda and will become available November 1st. The Rowan County Health Department currently has a waiting list of clients to be enrolled in the program.

Recommendations:

The Health Department recommends that the budget amendment be approved to allow rapid utilization of funds.

I. Background:

In the United States, breast cancer is the second most commonly diagnosed cancer in women. It is the leading cause of cancer death in Hispanic women and the second most common cause of cancer death among white, black, and Asian/Pacific Islander and American Indian/Alaska Native women (U.S. Cancer Statistics Working Group. U.S. Cancer Statistics Data Visualizations Tool, 2015). Between 2011 and 2015, the U.S. incidence of breast cancer was 126.0 per 100,000 women and the mortality was 20.9 per 100,000 women. (National Cancer Institute SEER Stat Fact Sheets, Female Breast Cancer). In 2018, an estimated 266,120 new cases of invasive breast cancer are expected to be diagnosed among U.S. women, as well as an estimated 63,960 additional cases of in situ breast cancer. In 2018, approximately 40,920 U.S. women are expected to die from breast cancer. Only lung cancer accounts for more cancer deaths (American Cancer Society Cancer Facts and Figures, 2018). In North Carolina, an estimated 8,771 new female breast cancer cases will be diagnosed in 2018, resulting in 1,429 deaths (N.C. State Center for Health Statistics).

Cervical cancer, once the leading cause of death for women in the U.S., has significantly decreased in incidence and mortality since the Pap Test was introduced in 1948. Between 2011 and 2015, the incidence of cervical cancer was 7.4 per 100,000 women and the mortality was 2.3 per 100,000 women in the U.S. (National Cancer Institute SEER Stat Fact Sheets, Cervical Cancer). While cervical cancer incidence and mortality continue to decrease, both are considerably higher among Hispanic and non-Hispanic Black women. In 2018, an estimated 13,240 new cases are expected to be diagnosed, with an estimated 4,170 women were expected to die from cervical cancer (American Cancer Society Cancer

Re: Family Planning (151) Agreement Addenda Revision

Situation:

The Rowan County Health Department has been notified that there will be an increase in funding for our Family Planning program. This is approximately a 59% increase in funding due to additional Medicaid funding received from the US Department of Health and Human Services.

Background:

Title X funds are distributed from US Department of Health and Human Services/ Public Health Services to each state. The North Carolina Family Planning Program receives these funds and redistributes them to the county level.

Assessment:

These funds will be used to help pay for salary and fringes, office supplies, educational supplies, medical supplies, other small equipment, and printing. The new funding award will be \$28,605.

Recommendations:

The Health Department recommends that the budget amendment be approved to allow utilization of the funds.

I. Background:

As of October 1, 2019, this Agreement Addendum Revision #2 adds the following paragraph:

On March 26, 2019, the US Department of Health and Human Services, Public Health Service Notice of Award, P.L. 91-572 PHS Act Sec. 1001 as Amended, 42 CFR 59, authorized the awarding of Title X funds to the North Carolina Statewide Family Planning Program for FY 19-20. The Notice of Award stipulated the total award of Title X funding has been increased from the previous fiscal year; thereby increasing the amount of funding available for allocation to local health departments.

II. Purpose:

This Agreement Addendum Revision #2 increases, by approximately 59%, the funding for this Activity as of October 1, 2019 due to the additional Title X funding received from the US Department of Health and Human Services, Public Health Service.

III. Scope of Work and Deliverables:

The Activity 151 Family Planning Agreement Addendum Revision #2 requires further negotiation between the Women's Health Branch (WHB) and the Local Health Department.

The Local Health Department shall complete a detailed budget stating how it will use the additional funds for the service period October 1, 2019 through May 31, 2020 based on locally determined needs and circumstances. (Instructions provided in Attachment E.) **This budget must equal the amount of additional funding allocated to the Local Health Department.**

Project Manager, Name: Laurie Lyda
Phone: 704-216-7732 Email: Laurie.Lyda@rowancountync.gov

LSTA Funds Requested this year: \$ 20188
Matching Funds: \$ 6729
Project Total this year: \$ 26917

Project Abstract:

Rowan Public Library's West Branch Information Services Lab will provide free public computer access, wifi, and educational programs to a currently under-served community. Ideally, a computer lab will house four desktop PCs for adults and two iMacs for teens. While spatial constraints limit the incorporation of desktop computers, a mobile lab consisting of 12 laptops will expand the Lab's services by allowing mobility. Two of the 12 laptops will also be used by instructors, allowing educational programs to be held in the classrooms located in another area of the building.

Certification and Signatures (please sign in blue ink)

We are aware of and agree to comply with all state and federal provisions and assurances required under this grant program. If awarded grant funds, we assure that we will carry out the grant project according to the approved grant application. This application has been authorized by the appropriate authorities of my institution/library.
